

OLÍMA

AGAVE SPIRITS

Mezcal is a traditional Mexican spirit made from the juice of the heart (piña) from the agave (maguey). A popular type of mezcal is tequila made using only the blue agave in the state of Jalisco. Mezcal is seen to be much more complex than tequila because it can be made from many different types of agaves in several states.

TASTING FLIGHT

3 DIFFERENT MEZCAL TO TASTE

■ Discovery 13

Introduce yourself in the world of mezcal and let us explain you a bit about agave distillates

● Special 22
